# Copilot Academy: First Flight

Microsoft 365 Copilot is transforming how teams work by boosting productivity, streamlining workflows, and unlocking new efficiencies. We designed **First Flight** to be your first glimpse at Copilot's potential and to help you discover who on your team should be your Copilot Champions.

## What You'll Discover

**Copilot in Action:** See how Microsoft 365 Copilot transforms Outlook, Word, Teams, PowerPoint, and Excel

**Responsible AI:** Understand how Copilot works safely and securely

**Real-World Examples:** Learn how Copilot actually boosts productivity

**Next Steps:** Get clarity on what deeper adoption looks like

## Who Should Join

**Up to 10** employees who are curious about AI, productivity, or digital transformation, and who you know would make strong Copilot Champions in your organization.

## What Comes Next

If your organization wants to move forward with the full Copilot Academy 21-day adoption solution, the employees you sent to First Flight can join for free.
